Mr. Arnie Leder:

This letter is to inform you on the status of Walnutdale Farms as it stands in conjunction with the consent decree. The following item has been installed to meet the standards and deadlines of this consent decree. I, Kevin Lettinga, have worked with NTH Consultant group to construct a catch basin. It has been functioning well and freeboard on the catch basin as well as on all other pits has been maintained. Green Valley Agricultural remains in contact with Walnutdale Farms to keep the Comprehensive Nutrient Management Plan up-to-date. I have enclosed an updated copy of the CNMP and also a copy of the MMP (Manure Management Plan). If there is any other questions regarding the contents of this letter or of the CNMP, feel free to contact me at (616)877-4355, or you may contact Amanda Shellenbarger at (616)891-0075.

I certify under penalty of the law that I have examined and am familiar with the information submitted in this document and all attachments, and that this document and its attachments were prepared either by me personally, or under my direction or supervision in a manner designed to ensure that qualified and knowledgeable personnel properly gathered and presented the information contained therein. I further certify, based on my personal knowledge or on my inquiry of those individuals immediately responsible for obtaining the information, that the information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing and willful submission of a materially false statement.

Respectfully,

Kevin Lettinga
Walnutdale Farms
